Briefly describe your theatrical experience:

**IMPORTANT NOTE: All apprentice and/or intern candidates must be able to commit to nights and weekends for a two to three week rehearsal and show run with no conflicts. Additionally, daytime hours during the tech week for all positions and for the entire period for production/company or stage management positions are preferred.**

*Apprentice/intern positions are non-paid with no housing or travel stipend. NCT internships offer invaluable hands-on experience in professional theatre and opportunity for training with industry leaders. Contact: Christopher MacDow at 919/831-6941 ext. 6941.*
